Welcome...

To the 30th anniversary of one of New Zealand's favourite foot races.

Inspired by the 1974 Commonwealth Games marathon, Christchurch's SBS Marathon Event is renowned as one of the fastest courses in the world. But it is also one of the most scenic and supportive. Regardless of which event you enter, the challenge is made manageable by the easy-on-the-eye environs of the Avon River and Hagley Park, and thousands of residents cheering from their front gates. In short: Christchurch's SBS Marathon Event offers something for everyone. But don't take our word for it...

A WORD FROM YOUR SPONSOR

When it comes to sponsorship, our commitment to communities couldn't be stronger. That's why we're delighted to be on board for the ninth year as principal sponsor of the SBS Marathon.

SBS Bank is proud to be associated with an event that reflects what we're about – going the extra mile for our members. Because we've been owned by New Zealanders since 1869 we know that when it comes to money, life's a marathon, not a sprint. Helping our members keep financially fit is what we're all about.

At SBS Bank we understand the synergy between physical fitness and banking – you have to choose a goal, plan how to achieve those goals, then get out and do it. And remember – the more you put in, the greater the reward, satisfaction and results.

SBS Bank has a proud history of community support and traditional, people-focused values. We strive to make a positive difference in the lives of our customers and their communities and it's exciting to be a part of the growth of the SBS Marathon as it celebrates the 30th anniversary this year.

If you want to take a step toward financial fitness, we'd love to help. Phone 0800 502 442 for information, or just call in to your local SBS Bank branch at Ferrymead, Papanui, Riccarton or Manchester St. The couches are comfy, the coffee's hot and we'd love to see you!
