

**Dear Parents****Burglary**

Unfortunately the vermin are at it again: just after eleven o'clock on Wednesday night, a large rock was thrown through the window of the library door. The library computer, book scanner, sky decoder and hard drive DVD-video recorder taken. We can only hope our insurers don't tire before these cretins are caught.

A huge thank you to JD Glover who, although no longer on our Board, responded to the Security company's call when the alarm went off, checked out the buildings and grounds, and secured the library.

**Hong Kong – last call**

We have only 3 pupils confirmed as starters for this cultural experience set to take place in November. Unfortunately without a further 3, the trip will not go ahead.

**Curriculum Comment**

The latest edition accompanies this newsletter, with several articles from students and a couple of teachers and a very good update and overview about National Standards, specifically in relation to our school. Another excellent compilation by our Curriculum Co-ordinator, Richard Johnson; thank you.

**Out of Zone Ballot**

This will take place on Thursday 24<sup>th</sup> June for all pupils due to start school this year.

Accompanying today's newsletter is the pre-pay envelope for this year's photos. All photos must be pre-paid if you wish to order one. Please read the envelope carefully and note the following.

- These envelopes are for class and individual photos only. If you are having children photographed together you must request a "sibling envelope" from the office.
- You must return an envelope for each child.
- **Do not put one envelope inside the other.**
- You may pay for more than one child on one cheque provided a separate envelope is returned for each child with the location of cheque noted on the envelope.

Please return the envelopes to the red letterbox or the class teacher by Tuesday 15<sup>th</sup> June.

**Ed Alive Orders** – This order has not yet been processed due to staff illness. It will be sent away next week. The software should arrive before the end of term. Thank you for your patience.

*From the ASB ....* **SCHOOL BANKING**

Banking Day is every Wednesday.

If you have not done so already and would like to register your child for the ASB School banking programme application forms are available at the school office. All children receive a banking bag, which includes a savings diary, calculator and certificate.

Saving regularly is an important habit to get into, whether you're saving a little or a lot.

Kind Regards
