The Forrest Hill Detectives

Student Edition

Tuesday 12th May

Forrest Hill School

On the 25th of May 2009 Room 2, 3, 5, 6, 7 and 8, from Forrest Hill School, went to sheep world because they were learning about farms. First they went inside the sheep shed to see the dogs round up the sheep. It smelled a bit but they didn't care because they were having so

much fun . They saw sheep, lamas, guinea pigs, rabbits, donkeys and dogs.

Most of the students felt happy and excited. Some students even got to feed the sheep.
