FAIRPLAY AWARDS SYSTEM

We are continually trying to improve the experience of our ASB Social Sport Leagues. Aligned with our values, the goal is to provide a friendly environment and atmosphere for all players, where teams compete against each other in a positive sporting manner.

The objective is for all teams to have an exciting and fun experience, with the bonus of being rewarded for overall team conduct or “fair play” at the same time.

The process of the Fair Play Points is as follows: at the start of each game, each team is given 10 ‘Fair Play Credits’. During the game, credits will be deducted for poor sportsmanship, inappropriate behaviour/language, penalties, sin bins, or red cards.

NB: Credits deducted will be measured through intention, speed of foul, positioning of the ball and player, skill of the player, skill of the team, skill between opposing teams, and temperature of the game.

To reward fair play, teams will gain an additional point each week (on top of win/draw/loss points). The additional point will be awarded to all teams each round who retain at least 7 fair play credits at the end of their match.

The Points System for Indoor Netball and Soccer will be as follows:

Win: 4 points
Draw: 2 points
Loss: 1 point
Default: 0 points
Fair Play: 1 point
